I can t breathe anymore Why that is I m not sure

Gsus4

I ve got my feet on the ground In fact I m flat on the floor

Asus4

My direction is lost I should pause to take stock

Gsus4

It s a new one on me
To even dream that you re free

Asus4

It s a tale without an end $\mbox{But the end is there for all to see} \\ \mbox{\bf Gsus4}$

And if the end weren t so real Coming around and round again on me

Asus4

I guess it s all about my pride I want to be there if it kills

Gsus4

But with or without God on my side I know that I really will
