

You Know Im Right

David Gilmour

(Segundo a lenda, essa canção foi feita como uma espécie de resposta a Roger Waters e suas atitudes)

(intro **Em D**)

Em D Em D Em (D Em D Em)

You can scream and shout with all your might

D Em D Em (D Em D Em)

Dig in your heels and hold on tight

D Em D C7+ Em

Either you are wrong or I am right

D Em D Em (D Em D Em)

You speak the lines you ve overheard

D Em D Em (D Em D Em)

The ring of truth in every word

D Em D C7+ G7+ A7+

You know you re right and that s absurd

G7+ A7+

We really seem to have a problem here

F7+ G7+

But it is you or me

F7+ G7+

Whatever I have going through my mind

G7+ A7+

You always have to disagree

G7+ A7+

It s just a matter of opinions

F7+ G7+

It s not a simple fact

F7+ G7+

Why don t you try to see the other side

F4 F Em F4 F (Em D)

Don t turn your back

Em D Em D Em (D Em D Em)

Now we survey this silent battleground

D Em D Em (D Em D Em)

Recriminations all around

D Em D C7+ G7+ A7+

And still no compromise is found

G7+ A7+

Now we really have a problem

F7+ G7+

And it won t just disappear

F7+ G7+

And all the friends we thought we could rely on

G7+ A7+

Just want to whisper in my ear

G7+ A7+

It s just a matter of opinions

F7+ G7+

You know you keep both in sight

F7+ G7+

Why should you bother with the other side

(**F Em**)

When you know yours is right.
