**G**

Flat out Iâ€™m running

**C**      **G**

Through walls of concrete

**Em**      **G**

Let fall from my spirit

**Em**      **G**

A lifetime of hate

**D**

That shown on our faces

**C**

A million years

**G**

Theyâ€™re screeching and yelling

**C**      **G**

I Donâ€™t here no sound

**Em**      **G**

The blue light of heaven

**Em**      **G**

Rising up from the ground

**D**

That shown on our faces

**C**

A million years

**G**                  **G/F#**

No fear coming over

**Em**      **C**      **A**      **A2**

Nor doubt taking hold of me

**G**                  **G/F#**

Preparing my face

**Em**      **C**      **A**      **C**

For the gates of eternity, yeah

**G**

Theyâ€™re fastening my ankles

**C**      **G**

Theyâ€™re strapping my wrists

**Em**      **G**

They're sending me some place

**E****m** **G**

Where pain don't exist

**D**

That shown on our faces

**C**

A million years

A million years

**G** **C** **G** **E****m** **G** **E****m** **G** **D** **C**

**G** **G/F#**

No fear coming over

**E****m** **C** **A** **A2**

Nor doubt taking hold of me

**G** **G/F#**

Preparing my face

**E****m** **C** **A** **C**

For the gates of eternity, yeah

**G**

Like frost on the branches now

**C** **G**

Like foam on the surf

**E****m** **G**

If it's nothing I came from, Lord

**E****m** **G**

Then it's nothing I'm worth

**D**

That shown on our faces

**G**

A million years

**A**

A million years

**C**

A million years

**G**

A million years
