

Disappearing World

David Gray

I learnt how to play this song when I started to play guitar as it was about 4 chords

was a nice easy pace, now that I am better I revisited it and changed it slightly to just
it less dull than simply strumming.

Basically if you just play this for all the chords instead of just strumming them down

way it sounds far better:

e)-----2-----3-----0-----!
B)-----3---3-----3---2-----2-----2-----!
G)---2-----2---2-----3-----2---2-----2-----2---o!
D)-0-----0-----2-----2---2-----o!
A)-----0-----0-----!
E)-----!

Part 1

(D, A)

e)-----3-----0-----!
B)-----3-----3-----3-----3-----!
G)-----0---0-----0-----0-----2---2-----2-----2---!
D)---0-----0---0-----2-----2---2-----!
A)-----0-----0-----!
E)-3-----3-----!

Part 2

(G, Asus4)

The words go as so:

Intro:

Part 1 repeated 4 times (or however many you like)

Verse:

Slowley the truth is loading (Part 1)
I m weighted down with love (Part 1)
Snow lying deep and even (Part 1)

(Repeat chorus)

E G
I ll be sticking right here with it
