G/A G G/A C C6/9 Cadd9

Like Ive been gathering dust

G/A G G/A C C6/9 Cadd9

I must leave this harbour for the sea

G/A G G/A C C6/9 Cadd9

Im too young to settle down and make a home

G/A G G/A C C6/9 Cadd9

But I don't know where Im wanting to be

G/A G G/A C C6/9 Cadd9 G/A

I just know I have to be there alone

D C C6/9 Cadd9

Stole my time

D C C6/9 Cadd9

All my time

D C C6/9

Spend my time

C

For you

G G/A C C6/9 Cadd9 G/A (x2)

G G/A C C6/9 Cadd9

Pale winter sun

G/A G G/A C C6/9 Cadd9

Is beating the ground

G/A G G/A C C6/9 Cadd9

Why am I throwing away, mm-mm

G/A G G/A C C6/9 Cadd9

The best thing that Ive found

G/A G G/A C C6/9 Cadd9

And my young hearts in tatters and Im sure

G/A G G/A C C6/9 Cadd9

That it will be a long time healing

G/A G G/A C C6/9 Cadd9

Its so hard to see what Im doing this for

G/A G G/A C C6/9 Cadd9 G/A

When loneliness is all that Im feeling

D C C6/9 Cadd9

Stole my time

D C C6/9 Cadd9

All my time

D C C6/9

Spend my time

C

For you

G D Bm/D D C

Now the wind it is blowing

D Bm/D D G

Blowing leaves from the trees

D Bm/D D C

I got no use knowing

D Bm/D D G

That with time it will ease

D Bm/D D C

I don't know where Im going

D Bm/D D G

Hope I get there soon

D Bm/D D C

Cause my soul is hollow

D Bm/D D G

As the sorrowful moon

G D Bm/D D C D Bm/D D (Repeat for remainder of song)***

(Na na na na [etc])

Now the wind it is blowing

Blowing leaves from the trees

Ive got no use knowing

That with time it'll ease

And I don't know where Im going

Hope I get there soon

Cause my soul is hollow

As the sorrowful moon

As the sorrowful moon

As the sorrowful moon

(Na na na na [etc])

Oh the night is raining on my weary head

Taking me back

See the sun spread its wings of gold
As the dawn unfurls
Hear the song that the moon sings
To the darkened world
And feel the firelight
In the bitter cold
See the light that shine
Through the windows of your soul
Through the windows of your soul

(Na na na na [etc])

Windows of your soul
Windows of your soul

(Na na na na [etc])

Take it right down now
Take it right down now

Let it lure lure lure lure lure lure lure

(End on **G**)
