(intro C, Emaj7, F play through twice)

C Emaj7 F (move middle finger on and off G string)

Just a little something for the pain

C Emaj7 F (move middle finger on and off G string)

Hospital food getting you down?

C Emaj7 F (move middle finger on and off G string)

Honey now I m not one to complain

D no high e string

But this hangin? around

F

Is wearing me out.

C Emaj7 F (move middle finger on and off G string)

So patch me up boys take me home

C Emaj7 F (move middle finger on and off G string)

Are you not hearing a word I say?

C Emaj7 F (move middle finger on and off G string)

She sounds so different on the phone

D no high e string

I just sink like a stone

F

Back to the bay

Am

Tell me something

F

Tell me something

C G Am

I don?t already know

Tell me something

F C, Emaj7, F

Tell me something I don?t know.

C Emaj7 F (move middle finger on and off G string)

Don?t seem to have that much to show

C Emaj7 F (move middle finger on and off G string)

For all the hard work, the sweat and toil

C Emaj7 F (move middle finger on and off G string)

You say ?well that?s right?, and you should know

D no high e string

You?ve been there before

F

You?ve basked in the glow

D no high e string

You?ve stood in the roar

F

You?ve tasted the snow.

Am

Tell me something

F

Tell me something

C G Am

I don?t already know

Tell me something

F C, Emaj7, F

Tell me something I dont already

Emaj7 F

Seeing it all so beautiful

C G

The way it oughta be

Emaj7 Am, G, F

Seeing it all so beautiful

F C

And turning away

F C

Turning away

F G

Turning away

Am

Tell me something

F

Tell me something

C G Am

I don?t already know

Tell me something

F C, Emaj7, F C

Tell me something I don?t Ohhhhhhhh already know

Emaj7, F, C

Already know
