Intro: **Em Dsus2 Em Dsus2**

Verse: **Em Dsus2 Em Dsus2**

Chorus: **G Gm C Eb Bb F G**

What on earth is going on in my heart
Has it turned as cold as stone
Seems these days I don t feel anything
Less it cuts me right down to the bone
What on earth is going on in my heart

My oh my you know it just don t stop
It s in my mind I wanna tear it up
I ve tried to fight it tried to turn it off
But it s not enough
It takes a lotta love
It takes a lotta love my friend
To keep your heart from freezing
To push on till the end
My oh my

What on earth is going on in my head
You know I used to be so sure
You know I used to be so definite
Thought I knew what love was for
I look around these days and I m not so sure

My oh my you know it just don t stop
It s in my mind I wanna tear it up
I ve tried to fight it tried to turn it off
But it s not enough
It takes a lotta love
It takes a lotta love my friend
To keep your heart from freezing
To push on till the end
My oh my you know I just can t win
I burn it down it comes right back again
What kinda world is this we re living in
where you never win

It takes a lotta love
It takes a lotta love these days
To keep your heart from freezing
To keep your spirit free

My oh my you know it just don t stop
It s in my mind I wanna tear it up
I ve tried to fight it tried to turn it off
But it s not enough
It takes a lotta love
It takes a lotta love my friend
To keep your heart from freezing
To push on till the end
My oh my it just don t stop
My oh my it just don t stop
My oh my it just don t stop
