- VERSE 1 -

D	D6 D	D6	
Weight on my shoulders			
D	D6 D	D6	
But I m walking so tall			
G		D	D6 D D6
Out into the new horizon			
D	D6 D	D6	
Wonder in everything			
D	D6 D	D6	
No matter how great or small			
G			
Howlin like the midnight			
G		D	D6 D D6
Howlin like the midnight sun			
A		G	
And this ain t no pale reflection			
Bm	F#	E/D	
This is the real thing			
G	A		
New horizon			
G	A	D	
New horizon within			

- VERSE 2 -

And your heart ain t yours to control  
No matter how tight the reigns  
Love will find its own direction  
A time to reap  
A time to sow  
And many a time to cry in vain  
But now the time to celebrate  
The glory of this imperfection  
Same thing that s scrawled across the stars  
Is written under our skin  
New horizon  
New horizon within

- BRIDGE 1 -

G	A	Em	A
Things come too easy, I get suspicious			
G	A	Em	A
Things come too slow, I get bored			
G	A	Em	F#
If it don t work out I get superstitious			
G	A	D	
But if it does, oh my word			

- VERSE 3 -

So I m gathering the remnants of beauty  
From this wilderness in spin  
And now I m gonna fly my own flag  
Cause I m charged with the radiance of the dawn  
That s been so long breaking  
Now there ain t nowhere  
There ain t nowhere I won t write your name  
There s a time to search for understanding  
Sometimes you just gotta sing  
New horizon  
New horizon within

- BRIDGE 2 -

Baby there s no need to get precious  
When you know that everything must change  
Complacency, it can be so vicious  
Turn this love into a cage
