The one i love

by daniel mchugh

This is david grays new song from new album- cant believe it hasnt been tabbed yet!

v gud upbeat song-easy chords to in the key of C

C

Gonna close my eyes

G

Gonna watch you go

F

Running through this life, darling

C

Like a field of snow

C

As the tracer glides

G

And its graceful arc

F

Send a little prayer up to you

C

Cross the falling dark

F

Tell the repo man

Dm

And the stars above

C

That you re the one I love yeah

C

Perfect summer s night

G

Not a wind or breeze

F

Just the bullets whispering gentle

C

Amongst the new green leaves

C

These things I might have said

G

Only wish I could

F

C

Now I m leaking life faster than I m leaking blood

F

Tell the repo man

Dm

And the stars above

C

That you re the one I love

G

You re the one I love

F

The one I love he he

Am F Am F Am F

C

Don t see elysium

G

Don t see no fiery hell

F

Just the lights all bright, baby,

C

in the big hotel

C

Next wave coming in

G

Like an ocean rock

F

Won t you take my hand, darling,

C

on that old dance floor

F

We can twist and shout

Dm

Do the turtle dove

C

And you re the one I love

G

You re the one I love

F

He he

The one I love
