

Shine
David Gray

E
I can see it in your eyes
 E/A **E/G#**
what I know in my heart is true
E/A **E**
that our love it has faded
 E/A **E*** **E/C#** **E/C#*** **E/C#** **E*** **E**
like the summer run through

E/C#
so we ll walk down the shoreline
 E/C#* **E/C#** **E*** **E**
one last time together
 E/C# **E/C#***
feel the wind blow our wanderin hearts
E/C# **E*** **E**
like a feather

E/C#
but who knows whats waiting
E/C#* **E/C#** **E*** **E**
in the wings of time
dry your eyes
 E/C# **E/Eb** **E**
we gotta go where we can shine

E
Don t be hiding in sorrow
 E/A **E/G#**
or clinging to the past
E/A **E**
with your beauty so precious
 E/A **E*** **E/C#** **E/C#*** **E/C#** **E*** **E**
and the season so fast
 E/C# **E/C#*** **E/C#** **E*** **E**
no matter how cold the horizon appear
 E/C#
or how far the first night
 E/C#* **E/C#** **E*** **E**
when I held you near

E/C#
you gotta rise from these ashes
 E/C#* **E/C#** **E*** **E**
like a bird of flame
step out of the shadow
 E/C# **E/Eb** **E**

we ve gotta go where we can shine

(guitar break)

E
For all that we struggle
 E/A **E/G#**
for all we pretend
E/A **E**
it don t come down to nothing
 E/A **E*** **E/C#** **E/C#*** **E/C#** **E*** **E**
except love in the end
 E/C#
and ours is the road
 E/C#* **E/C#** **E*** **E**
that is strewn with goodbyes
 E/C#
but as it unfolds
 E/C#* **E/C#** **E*** **E**
as it all unwinds
 E/C#
remember your soul is the one thing
E/C#* **E/C#** **E*** **E**
you can t compromise
take my hand

E/C# **E/Eb** **E**
we re goona go where we can shine
 E/C# **E/Eb** **E**
we re goona go where we can shine
 E/C# **E/Eb** **E** **E/A** **E** **E/A**
we re goona go where we can shine

E **E/A** **E**
(and look, and look)
 E
Through the windows of midnight
 E/A **E**
moonfoam and silver.
