

**Baby When The Light**  
**David Guetta**

Song: Baby When The Light  
Artist: David Guetta  
Album: Pop Life (2007)

First off, David Guetta is awesome! I just had to say that.

N.B. If you want a more acoustic feel to the song, use Am7 instead of Am.

Also, if you want to sustain the Em chord in the pre-chorus and / or chorus itself, just  
an Em7 and Em after it.

CAPO 3rd FRET

**C Am Em (x2)**

**C Am**  
In spite of all the consequence  
**Em**  
In spite of all my pride  
**C Am**  
In spite of little things you said,  
**Em**  
That hurt me deep inside

**C**  
I believed your love,  
**Am**  
I believed your love,  
**Em**  
Like the air, in the morning  
**C**  
I sleep your love,  
**Am**  
I salute your love  
**Em**  
And I can't get away

**C Am**  
Baby when the lights go out,  
**Em**  
I hear you calling,

I hear you calling  
                  **C**                  **Am**  
Baby when the lights go out,  
          **Em**  
I need you,  
                  **C**                  **Am**  
Baby when the lights go out,  
                  **Em**  
I hear you calling,  
  
I hear you calling  
                  **C**                  **Am**  
Baby when the lights go out,  
          **Em**    **(B7)**  
I need you

**C**                  **Am**  
The lights of all you see,  
                  **Em**  
You could have overcome all this,  
          **C**                  **Am**  
And I still can't get over you,  
          **Em**  
Are you someone I'll forever miss,

**C**  
I believed your love,  
          **Am**  
I can feel your love,  
          **Em**  
And it's all that I wanted  
          **C**  
I sleep your love,  
          **Am**  
I salute your love  
          **Em**  
And I can't get away

**C**                  **Am**  
Baby when the lights go out,  
          **Em**  
I hear you calling,  
  
I hear you calling  
                  **C**                  **Am**  
Baby when the lights go out,  
          **Em**  
I need you,  
                  **C**                  **Am**  
Baby when the lights go out,

**Em**

I hear you calling,

I hear you calling

Under the spell I wanna be under your touch

Under the spell I wanna be under the rush

Baby when the lights go out,
