

Baby When The Light
David Guetta

Song: Baby When The Light
Artist: David Guetta
Album: Pop Life (2007)

First off, David Guetta is awesome! I just had to say that.

N.B. If you want a more acoustic feel to the song, use Am7 instead of Am.

Also, if you want to sustain the Em chord in the pre-chorus and / or chorus itself, just an Em7 and Em after it.

CAPO 3rd FRET

C Am Em (x2)

C Am
In spite of all the consequence
Em
In spite of all my pride
C Am
In spite of little things you said,
Em
That hurt me deep inside

C
I believed your love,
Am
I believed your love,
Em
Like the air, in the morning
C
I sleep your love,
Am
I salute your love
Em
And I can't get away

C Am
Baby when the lights go out,
Em
I hear you calling,

I hear you calling
C Am

Baby when the lights go out,
Em

I need you,
C Am

Baby when the lights go out,
Em

I hear you calling,

I hear you calling
C Am

C Am
The lights of all you see,

Em
You could have overcome all this,

And I still can't get over you,

Are you someone I'll forever miss,

Am
I can feel your love,
