**B F# G#m**  
Wanting less, getting more

**E B**  
Hard to explain, harder to ignore

**F# E**  
Wishing this world would just slow down

**B F# G#m E B**  
But in this life, in this race, you gotta keep movin to keep your place

**F# E**  
Often forgetting why you re around

**B F#**  
Times you wanna fly, fly away

**G#m E B**  
To fly, fly away so high

**F# E**  
To fly away

[ **B F# G#m E B F# E** ] 2x

Looking back at the cost  
Searching to find what was lost  
Building forever on a missing piece  
But I have come to tell of Him with love in His voice  
And hope in His hand  
Holding the answers He offers with ease

**B F#**  
Letting you fly to fly away  
**G#m E B F# E**  
To fly, fly away so high, to fly away

**B**  
Cause you know you wanna fly  
**F# G#m E B**  
To fly away to fly, fly away so high  
**F# E**  
To fly away

**F# G#m**  
Just leave this world behind

**E B**  
The pain that it brings

**F# G#m**  
Cause when Jesus died on the cross

**E F# B F# G#m E B F# E**  
He gave you your wings, yes he gave you your wings to fly

**B**        **F#**        **G#m**        **E**        **B**        **F#**        **E**  
To fly away, to fly, fly away so high, to fly away.
