

If God Could Make The Angels

Intro: F C F C G C F C F C F C G C F

So many songs about angels
It seems god makes them with his hands
So I guess this mess of falling angels
Must fit his immortal plan

How every flower should open
How every crippled bird should fly
And a cry of love from the deepest darkest ocean
Flies up through his brightest broken sky

But I can t point no finger
You can t do nothing more to me, see
Here s my broken hammer
I can t play A-flat
But I m still playing in that key

And at the holy saint s asylum
There s this patron for lost souls
Who ve perjured grail for the money

Mammon s kingdom and his power

F **C** **G**
All is painted glory, yeah, but glory holds a key

F **C**
And here s this broken hammer

F **C**
Can t fix this old piano

F **C** **G**
Seems sometimes that you can t get enough of me

F **C** **F** **C** **F**
Hurting

C **G**
As the hammer hits the key

F **C** **F** **C** **F**
But if god could make them angels

G **F**
With only mud and dust and sand

C **F** **C** **F**
Making blood from living water

C **G** **F**
Man, I think I d understand

C **F** **C** **F**
He d be in every flower that opens

C **G**
And in the first new breath of spring

F **C**
In the bird song high in the sky

F **C**
Sailing clear across the oceans

F **C** **G**
Some hear his voice in every bell that rings

C **F** **C** **F**
They say it s god who made the angels

C **G** **F**
From infinity and sand

C **F**
But if Heaven made the angels

G **F** **C** **F**
Who in Hell made man?

C **F**
If god could make angels

C **G**
If god could make angels

C
Why in hell make man?
