Love Should Do It
David Krejci

[Intro]
F#   Ebm   BM7   C#

[Verse]
G#dim7   F#
The same thing every night
G#dim7   F#   (F#m F#)
She is my moon without light
G#dim7   F#   B
But tonight something seems especially wrong
C# Bbm   Eb
Everythingâ€™s so long
        D   C#6   F#
As I hope everything is all right

[Verse 2]
G#dim7   F#
Course I just sit by the phone
G#dim7   F#   (F#m F#)
Course I just sit here all alone
G#dim7   F#   B
And of course I canâ€™t call her tonight
C# Bbm   Eb
To see if sheâ€™s all right cuz
D   C#   F#
Love doesnâ€™t matter this time

[Chorus]
F#   Ebm
Love could do it, Love should do it
BM7   D   C#
Love would do it, whoâ€™s to say that it wonâ€™t
     F#   Ebm7
They say itâ€™s all you need and that love will find a way
        G#m   BM7   F#
But for me I gotta say it seems that it donâ€™t

[Verse 3]
G#dim7   F#
Itâ€™s just the night playing tricks
G#dim7   F# (F#m F#)
I m sure itâ€™s nothing I can fix
G#dim7   F#   B
Yes love is all around
C# Bbm   Ebm
But none of it is sound
        D   C#   F#

Wish I could help her through the night

[Verse 4]
G#dim7   **F#**
I'm like a dog at her door
G#dim7   **F#**   **F#m F#**
I'm like a kid with no candy in the store
G#dim7   **F#**   **B**
She's such a sweet, sweet sucker in the street
D   **C#**
Trampled by feet cuz
D   **C#**   **F#**
Love doesn't matter this time

[Chorus]
F#   **Ebm**
Love could do it, Love should do it
BM7   **D**   **C#**
Love would do it, who's to say that it won't
     F#   **Ebm7**
They say it's all you need and that love will find a way
        G#m   **BM7**   **F#**
But for me I gotta say it seems that it don't
F#   **Ebm**
Love could do it, Love should do it
BM7   **D**   **C#**
Love would do it, who's to say that it won't
     F#   **Ebm7**
They say it's all you need and that love will find a way
        G#m   **BM7**   **F#**
But for me I gotta say it seems that it don't
