Party Crowd - David Lee Murphy

Versel: **G** **Am**  
She couldn t keep from cryin when she told me goodbye  
**C** **Am** **G**  
I knew Lord it was breakin her heart, and she was breakin mine  
**G**  
so for the sake of her feelings and the sake of my pride  
**Am**  
I told her not to worry bout me  
**C** **Am**  
so I m sittin here soakin up the neon lights  
**C** **D**  
misery looking for some company

Chorus: **G**  
Tonight I m lookin for a party crowd  
**Am**  
slammin em back and laughing out loud  
**C** **D** **G** **D**  
where the smoke s so thick the blues can t hang around  
**G**  
With the jukebox a jumpin like it just don t care  
**Am** (stop)  
if they re dancin over here or fightin over there  
**C** **D** **G**  
I m makin the rounds, looking for a party crowd

Verse2:  
it ll dawn on me tomorrow wherever I wake up  
I ll look back and try to recall just where the heck s my truck  
so take my keys and lock em up tight, let the good times flow  
I ll worry bout tomorrow when it comes to light  
the night s still young and I m on a roll

[CHORUS]
