

There Is A Place
David Lee Roth

C **C7** **Dm7 - G**
There is a place where you can always go, come with me
C **C7** **F** **Dm - Dsus**
Where it's alright to let your feelings show, come with me
Am **G**
What a pleasant journey, isn't very far
C **C7** **F** **Dm7 - G**
We can go together, stay right where you are
F6 / F **G**
And now it's time to start
C
It's right here in your heart

C **C7** **F** **Dm7 - G**
There is a place where you can be yourself, come with me
C **C7** **F** **Dm - Dsus**
And, it's a place where you can free yourself, come with me
Am **G**
And, you know its waiting not so far away
C **C7** **F**
Need no reservations, we could go today
F6/ F **G**
And now it's time to start
C
It's right here in your heart

And each question has an answer, if you'll only look inside
C **C7** **F** **Dm7 - G**
There is a place where every sorrow ends, come with me
