GREAT song and briljant guitar playing by John Lowery (Who is currently working in Marilyn Manson as John5)!!! The solo is a master piece (So is the solo in Little Texas) and the lead guitart in the verse is the best!!! WOW!!!!

It took me forever to tab and I m not 100% sure of this tab...h=hammer-on p=pull of

Solo

This a execlent solo but the taping was VERY hard to tab
The ending is not in becace I did have the power to tab it but it is not that
hard...just do some taping and move slowy to the first freths...

That is every riff in that song...
I have done better tabs but this one was a pain in the ass...
