Off of The Eat em And Smile Album!

Hope you have a floyd rose cause your gonna need it!

I tabbed all the bits that i could some the dives i just do randomly and dont aim for a specific note but thats the beauty of guitar, play it the way you like it :o)!

This is my first tab so im not sure how to put some of it into tab but ill give it a go!

Main Riff! Steve ends this differently each time so i put the endings in different boxes!

```

|-3-----3-----1--1--1-----|
|-3-----3-----1--1--1---3---3-3-3-----|
|-0--0-----0-----0---2--2--2---5b7-7-7-7r5p3-----|
|-0-----0--0-----3--3--3-----5-3-5|
|-2-----3--3--3-----|
|-3----0--1--2--3-----1--1--1-----|

```

Ending 1: Steve only picks the harmonic once and uses the bar for the rest!
