**C#m** **E**  
Can you hear the night time call  
**A**  
see the street lights come alive  
**C#m** **E**  
Wanna live it off the wall  
**A**  
Yeah tonight we don't walk the line  
**C#m**  
Adrenaline rush  
**E**  
Go all the way  
**A**  
Baby we're gonna seize the day  
**C#m**  
Let's turn it up  
**E**  
Just let it play  
**A**  
Until we see the break of day.

Like the sun

Living on the city beats.
