

**Catch You While I Can**  
**David Nail**

Howdy! This is my favorite David Nail song so I thought I'd figure it out.  
Enjoy.  
If I made any mistakes let me know!

Catch You While I Can  
**C C F C** (4x)

**F** **C G**  
When rooms are crowded eyes will wander,  
**F** **G**  
Never knowing what theyâ€™ll find.  
**F** **C G**  
I came here waiting on another,  
**Am** **C**  
Now youâ€™re all thatâ€™s on my mind

**F** **C G**  
Neathâ€™ a chorus of conversation,  
**F** **G**  
What no one else can see.  
**F** **C G**  
Is a gamble tweenâ€™ too strangers,  
**Am** **C**  
Thatâ€™s taking a hold of me

-Chorus-

**F** **C F G**  
So let go of your halo, break free for a while.  
**F** **C F Am**  
Tell me that youâ€™re ready, into the night, wrong or right  
**F** **G**  
Before it slips right through our hands,  
**F** **C C F C** (2x)  
Let me catch you while I can.

**F** **C G**  
My courage rises I walk over,  
**F** **G**  
Youâ€™re curved smile calms me down.  
**F** **C G**  
Words come easy I keep you laughing,  
**Am** **C**  
I should stop but I donâ€™t know how.

-Chorus-

**F** **C F G**

So let go of your halo, break free for a while.

**F**                      **C**        **F**                      **Am**  
Tell me that youâ€™re ready, into the night, wrong or right  
**F**    **G**  
Before it slips right through our hands,  
**F**    **C C F C (2x)**  
Let me catch you while I can.

**F**                                      **Am**                      **C**                      **G**  
When midnight turns into daylight maybe weâ€™ll both move on.  
**F**                                      **Am**                      **C**                      **G**  
But who knows maybe tomorrow lonely will be long gone, be long gone.

-Chorus-

**F**                                      **C F**                      **G**  
C mon let go of your halo, break free for a while.  
**F**                                      **C**        **F**                      **Am**  
Tell me that youâ€™re ready, into the night, wrong or right  
**F**    **G**  
Before it slips right through our hands,  
**F**    **C C F C (2x)**  
Let me catch you while I can.
