Bm **A**
Itâ€™s hard to find the perfect time to say something
G

Bm **A**
Living with the shame, it ainâ€™t nothing
G
like the pain that I saw on her face
A
Now me and my pile of things that
Bm
she throw out the window,
G
Drowning next to me
A
No seven years of good cant hide the
Bm **G**
one night I forgot to wear that ring

[Chorus]

D **Bm** **A** **G**
So let it rain, let it pour, if she donâ€™t love me anymore,
D **Bm** **A** **G**
Just let it come down on me, let it come down on me,
D **Bm** **A** **G**
Every word, let it hurt, even more than I deserve,
D **Bm** **A** **G**
Let it come down on me, let it come down on me, let it rain

[Instrumental]

Bm A G G

[Verse]

Best thing I remember was the young familiar taste of someone on my lips,
Itâ€™s to late to turn around,
When the shades start coming down,
The guilt you feels the last thing on your mind

[Chorus]

So let it rain, let it pour, if she donâ€™t love me anymore,
Just let it come down on me, let it come down on me,
Every word, let it hurt, even more than I deserve,
just let it come down on me, let it come down on me, let it rain

[Bridge]

G G E E

[Chorus]

So let it rain, let it pour, if she donâ€™t love me anymore,
Just let it come down on me, let it come down on me,
every word, let it hurt, even more than I deserve, just let it come down on me,
let it come down on me, let it rain,
Ooh let it rain, ooh let it rain, just let it rain, just let it rain, ooh let it
rain
