

Whatever Shes Got
David Nail

Capo on 6

[Verse]

She s a little complicated, she ll make her mind up just to change it.

The kind of girl that keeps you waiting, waiting around.

She likes to get her toes done bright red, she s always reapplying her lipstick

The muddy river bank she s the first in, and the last out.

She s got something I can t figure out, that everybody s talkin bout

[Chorus]

She s got the blue jeans painted on tight, that everybody wants on a Saturday night.

She s got the mood ring, she s never the same. She s sunny one minute then she s pouring down rain

and she ll do whatever she wants, when she moves every jaw gonna drop

and I do, but I don t want her to stop.

I want, I want, I want. Whatever she s got.

Yeah, I want whatever she s got.

[Verse]

Tell your mind before you thought it, what you thought your plan was park it.

To figure out where your heart is, so twist it up.

Have you spending every weekend, and every penny you ve been keeping.
