

## High Lonesome Moan

David Pajo

High Lonesome Moan

To be finger picked, when playing the A pick the C# then release finger to play the B.

**E**                    **A**                    **E**  
how far you are when close  
**C#**                    **G#**                    **A A7/G**  
how near to me when gone  
**E**                    **A**                    **E**  
the dark is full of ghosts  
**C#**                    **G#**                    **A A7/G**  
that howl into the dawn  
**E**                    **B**                    **E**  
that howl into the dawn  
**E**  
the sky has opened  
**F#**  
the power is down  
**A**                                    **Am**  
deserted in this town  
**E G# A**            **B**            **B**  
high lonesome moan  
**E**                    **A**                    **E**  
how far you are when close  
**C#**                    **G#**                    **A A7/G**  
how near to me when gone  
**E**                    **A**                    **E**  
the lone forsaken voice  
**C#**                    **G#**                    **A A7/G**  
so broken and withdrawn  
**E**                    **B**                    **E**  
broken and withdrawn  
**E**  
the sky has opened  
**F#**  
the power is down  
**A**                                    **Am**  
deserted in this town  
**E G# A**            **B**  
high lonesome moan
