**A**

Candles burning,

**A2**

Glasses are chilled

**D Bm7**

And soon, she ll be by...

Hope and pray she ll say that she s willing

**A7 A - A7**

To give us another try...

And if all these plans i made

Don t melt the lady s heart,

**D A- A2 E7**

I ll put on the old forty-fives...

[Chorus]

**A7 Aaug**

And maybe the old songs,

**F#/A7 Fm7**

Will bring back the old times,

**Bm7 BM7**

Maybe the old lines will sound new.

**Bm7 E7**

Maybe she ll lay her head on my shoulder,

**A7 A**

Maybe old feelings will some through...

**D**

Maybe we ll start to cry,

**C#m A7 Fm7**

And wonder why...we ever walked away

**A**

Maybe the old songs,

**D**

Will bring back the old times

**Bm7 E7 A-A7**

And make her wanna stay...oh--ohhh

[Verse]

**A**

It s been too long without

**A2**

Seeing her face light up

**D** **Bm7**

When I come home.

**BM7** **Bm7**

Been to many hours i ve waited

**A7** **A-A7**

Staring at the phone...

[Refrain]

**D** **DM7**

Sweet old songs I m counting on you

**A** **Fm7**

Bring her back to me...

**D** **A-A2** **E7**

I m tired of listening alone...

[Chorus]

**A7** **Aaug**

And maybe the old songs,

**F#/A7** **Fm7**

Will bring back the old times,

**Bm7** **BM7**

Maybe the old lines will sound new.

**Bm7** **E7**

Maybe she ll lay her head on my shoulder,

**A7** **A**

Maybe old feelings will some through...

**D**

Maybe we ll start to cry,

**C#m** **A7** **Fm7**

And wonder why...we ever walked away

**A**

Maybe the old songs,

**D**

Will bring back the old times

**Bm7** **E7** **A-A7**

And make her wanna stay...oh--ohhh

And make her wanna sta---y.
