ARGUE WITH HEAVEN

David Ramirez feat. Summer Ames

Awesome song, and great duet.
Did this one in a hurry, but this is how I play and sing it,
Enjoy and support the artists that you love!

chords used

EADGBE

F (X33210) -pull of and on with your middle finger, second fret G-string

Am (X02210) -pull of and on with your middle finger, second fret D-string

G (320010) -Pull of and on with your index finger, first fret B-string

He plays a variation of the G chord that I can't really make out but change it up by

pulling of the B string and hammering on.
