

Kerosene

David Ryan Harris

[Intro] **G#**

Em

Don?t know how she deals with her conscious

C G

Knowing she?s slowly killing a man

Em

The bottle?s got my fingerprints on it

C G

But she?s still got my blood on my hands

Em

Even if she don?t know

C G

She is the reason I?m here

Am

Looking for the stronger stuff

Bartender fill my cup

[Refrão]

C G

Trying to keep hope alive

D Em

And keep the fire going inside

C G

Sippin? this kerosene

D G

Until she comes back to me

[Segunda Parte] **G**

Em

Yeah, we had a love like a candle

C G

But I blew out the flame

Em

I could be a hard one to handle

C G

Idiot wind is a hurricane, baby

Em

Even if she don?t know

C G

She is the reason I?ll be right here

Am

Til closing time

Drinking it until I'm blind

[Refrão]

C **G**
Trying to keep hope alive
D **Em**
And keep the fire going inside
C **G**
Sippin? this kerosene
D **G**
Until she comes back to me
C **G**
It burned my tongue a little at first
D **Em**
But the heartbreak I feel is worse
C **G**
Now it's my favorite drink
D **Em**
The poison taste good to me
C **G**
So won't you bartender please
D **G** **Em** **D**
Pour a another kerosene

D **B**
I'm never letting go
C **Em** **D**
Never letting go of what we had
B **C** **Em** **D**
Oh you know it's burning my mind
B **C** **Am**
Looking for my hope in the bottom of a shot glass

(**C** **G** **Am** **Em** **C** **G** **D** **G**)

[Refrão]

C **G**
You know that s trying to keep hope alive
D **Em**
And keep the fire going inside
C **G**
Sippin? this kerosene
D **G**
Until she comes back to me
C **G**
It burned my tongue a little at first
D **Em**
But the heartbreak I feel is worse
C **G**
Now it's my favorite drink
D **Em**

The poison taste good to me

C

G

So won?t you bartender please

D

G

Pour a another kerosene
