\*Tabbed to album version, just the simple chords

\*notes in parentheses indicate optional or quickly made chords

Capo 5 to make it easier; select "down 5 half-steps" to play without capo.

Intro: **Am, Em, F** x2

**Am Em F**  
Take me in your arms and tell me it's alright to dream  
**Am Em F**  
Of anything I want and anywhere I want to be  
**Am Em F**  
Tell me there's so much out there you want to show me  
**Am Em F**  
And even in my nightmares you'll be watching over me  
**Am F C G** (pause)  
And I swear I'll never move

**C (C/B) G**  
I could get so used to this, baby  
**Am (Em) F**  
I could get so used to this

**Am, Em, F** x2

**Am Em F**  
Wrap your legs around until you almost smother me  
**Am Em F**  
Then stare into my eyes and tell me it's alright to breathe  
**Am Em F**  
Come down from above, spread your wings and cover me  
**Am Em F**  
Cause even in the shadows we see all that lovers see  
**Am F C G** (pause)  
And I swear I'll never move

**C (C/B) G**  
I could get, oh, so used to this, baby

**Am** ( **Em** ) **F**

I could get, oh, so used to this X2

**Em** **F**

Out in the streets and behind the closed doors

**Em** **F**

Youâ€™ve got my back and baby Iâ€™ve got yours

**Em** **F**

Nothing can touch you, nothing can harm me

**G**

Youâ€™ll be my angel; Iâ€™ll be your army now

Solo: **C, G, Am, F**

**C** ( **C/B** ) **G**

I could get, oh, so used to this, baby

**Am** ( **Em** ) **F**

I could get, oh, so used to this x2

**Am** **Em** **F**

Wrap your arms around, tell me itâ€™s alright to dream
