Word: Repeat **Am7**, **A5**, **Asus4**, **A5**

I hate when things become frantic

issues gigantic get caught up in semantics

so you place your walls up

you break down in tears so i see all your fears

a closed heart but open mind to shout out to deaf ears like

days since you left it feels like years
these muddy waters so deep it s hard to define what s clear
our vision was blurred solved with relationship lasiks
but we forgot what s important love foundation and basics like

Do anything to placate this pain
lies deceit swear you ll never do it again
You lie I disguise hate with no compromise
so in short adios, sayonara, and goodbye

(let it ring after just strumming once)

Am7

This here is the life i choose

A5

yes i ve burned the bridge that leads back to you

Asus4

A5

no possibility I can deny, i can deny that
