Soon the guiding moonlight will be gone

Eb/G Fm7

wow

Out upon the ocean waves subside

From the weakness of the tide

That punishes in kind

When the heavens open wide
Every shore the moon shines on
Every word the siren sung
Believing the one

Baby, I can tell you there s no easy way out
Lost inside of dreams that guide you on
Baby, I can tell you there s no easy way out
Soon the guiding moonlight will be gone
