

**Empower Me**

**David T. Clydesdale**

[Verse 1]

**G C**  
Nobody knows how weak I am,  
**G**  
better than You  
**C**  
Nobody sees all of my needs,  
**G**  
better than You  
**C Bm Em**  
And nobody has the power to change me,  
**Am7 B**  
from what I was born to be  
**C G Em**  
Jesus be strong in my weakness,  
**C D**  
empower me

[Chorus]

**G D Em C**  
Empower me, like a rushing river  
**D G**  
flowing to the sea  
**C**  
Lord, send Your Holy Spirit  
**D Em**  
flowing now through me  
**C D**  
Till I m living as Your child,  
**Bm Em**  
victorious and free,  
**C D**  
send the power of Your love,  
**G**  
empower me

[Verse 2]

Nobody s eyes see through my soul,  
better than Yours  
Nobody s love can make me whole,  
no one but Yours  
And nobody has the power to lift me,  
to reach for eternity  
Jesus break through all my defences,  
empower me
