

Closer

David Usher

I think I have it right, here it goes.

C x32010

Cadd7 x32030

Cmaj7 x32000

Asus x00230

Fmaj7 x03210

Intro: **C-Cadd9-Cmaj7** (4or6x)

C-Cadd7-Cmaj7-C-Cadd7-Cmaj7

You had to lose

Asus

a funny thing the part that we cant play

Fmaj7

i d love to offer you with all the blame

C-Cadd7-Cmaj7-C-Cadd7-Cmaj7

but now we have to choose

Asus

another round for all my friends and me

Fmaj7 (let it ring)

another poke at sensibility weve found out

C-Fmaj7 for all the chorus..alternate

Chorus:

Why are we flundering

i m drowning in the revelers sin

ive taken you up on your offerings

i don t even know

its good bye

Same as before:

You had to lose

always knew that we were quite the same

i blew it up with everyone who ever knew me

had to change

a revidescent light to shine the way

and were not always following the same way out now

Chorus

same

final: C-Fmaj7 then 3 on first chord at the end

Enjoy! Have a good time! bla bla bla!
