another poke at sensibility weve found out

**C-Fmaj7** for all the chorus..alternate

Chorus:

Why are we flundering

i m drowning in the revelers sin

ive taken you up on your offerings

i don t even know

i blew it up with everyone who ever knew me

had to change

a revidescent light to shine the way

and were not always following the same way out now

Chorus

same

final: C-Fmaj7 then 3 on first chord at the end

Enjoy! Have a good time! bla bla bla!
