

**Closer**

**David Usher**

I think I have it right, here it goes.

**Bb** x32010

**Cadd7** x32030

**Bbmaj7** x32000

**Gsus** x00230

**Ebmaj7** x03210

Intro: **Bb-Bbadd9-Bbmaj7** (4or6x)

**Bb-Cadd7-Bbmaj7-Bb-Cadd7-Bbmaj7**

You had to lose

**Gsus**

a funny thing the part that we cant play

**Ebmaj7**

i d love to offer you with all the blame

**Bb-Cadd7-Bbmaj7-Bb-Cadd7-Bbmaj7**

but now we have to choose

**Gsus**

another round for all my friends and me

**Fmaj7** (let it ring)

another poke at sensibility weve found out

**C-Fmaj7** for all the chorus..alternate

Chorus:

Why are we flundering

i m drowning in the revelers sin

ive taken you up on your offerings

i don t even know

its good bye

Same as before:

You had to lose

always knew that we were quite the same

i blew it up with everyone who ever knew me

had to change

a revidescent light to shine the way

and were not always following the same way out now

Chorus

same

final: C-Fmaj7 then 3 on first chord at the end

Enjoy! Have a good time! bla bla bla!
