

Closer

David Usher

I think I have it right, here it goes.

B x32010

Cadd7 x32030

Bmaj7 x32000

G#sus x00230

Ema7 x03210

Intro: **B-Badd9-Bmaj7** (4or6x)

B-Cadd7-Bmaj7-B-Cadd7-Bmaj7

You had to lose

G#sus

a funny thing the part that we cant play

Ema7

i d love to offer you with all the blame

B-Cadd7-Bmaj7-B-Cadd7-Bmaj7

but now we have to choose

G#sus

another round for all my friends and me

Fmaj7 (let it ring)

another poke at sensibility weve found out

C-Fmaj7 for all the chorus..alternate

Chorus:

Why are we flundering

i m drowning in the revelers sin

ive taken you up on your offerings

i don t even know

its good bye

Same as before:

You had to lose

always knew that we were quite the same

i blew it up with everyone who ever knew me

had to change

a revidescent light to shine the way

and were not always following the same way out now

Chorus

same

final: C-Fmaj7 then 3 on first chord at the end

Enjoy! Have a good time! bla bla bla!
