Time Of Our Lives David Usher David Usher - Times of Our Lives (Intro) Em D Am C Em D Am I once saw a man on fire, staring out his window C Em Watching as the flames grow higher and higher Am D I thought that I saw him cry or was he only laughing? C Em As his laugh went brush it off р And maybe we're just like him Am Maybe we' re all waiting G С For a moment to begin (Chorus) G D Who of us are open Am Who of us have freedom really? Em С Who of us can tell what these dark days will bring D All of us are hurting Am All of us are crazy now C Em All of us are watching the world spin Em р Am I once had a bird like you, a bird of prey С \mathbf{Em} Still you're tearing at my insides Am D And yesterday when you flew so far away G C And when you find the morning save a piece for me (Chorus) G D Who of us are open Am Who of us have freedom really?

С Em Who of us can tell what these dark days will bring D All of us are hurting Am All of us are crazy now С Em We're crazy now D I smoked a cigarette Am I'11 eat the flesh is dead C Em I love a whisky more or less or moral-less ya D I like the drugs that seal Am I love you when we feel С Em When we feel Em D Am C X2 Em D Am I once saw a man on fire, staring out his window C Em Watching as the flames grow higher and higher C р Am I thought that I saw him cry or was he only laughing, laughing (Chorus) G D Who of us are open Am Who of us have freedom really? C Em Who of us can tell what these dark days will bring D All of us are hurting Am All of us are crazy now С Ε We're crazy now D All of us are healing Am All of us are dreaming Em С All of us are watching these times of our lives D We want it all Am And we want for nothing

C Em For nothing now
