If you want to play along to the record put a capo on the 2nd fret.

Intro: **F - A**

F

It s calm in the water still

A

But I won t come to the depths to greet you

F

And now that I finally feel

A

I ll rise from the pit that will soon defeat you

F

It s hard not to live my life

A

Like it s only words

F

It s hard not to live my life

A

Like it s only words

Dm **C**

My thoughts and I

Dm

became lost

Gm **Dm**

In the city that sleeps

Dm **C**

Bound to debt

Dm

there I lay

Gm **F**

With my back to the wall

F

And now that I ve come for you

A

this shoreline will call for the depths beneath it

F

My lungs filled with smoke ensue

A

A breath that will grasp my own fear to meet it

F

It s hard not to live my life

A

Like it s only words
