

**I Cant Love
Dawes**

[Intro]

G

[Verse 1]

G F
Once we let the fire die a bit
Em D A/C#
I started finding out who I was really dealing with
G F
Once we moved past the initial spark
Em D A/C#
I caught that first glimpse of the person that you really are

[Refrain]

D G C
I can t love you any more
D G C
I can t love you any more

[Verse 2]

G F
With your easy way of drawing out
Em D A/C#
The parts of me I don t know how to talk about
G F
How the evening light on your sleeping skin
Em D A/C#
Shows me this is all there is that s worth believing in

[Chorus]

D G C
I can t love you any more
D G C
I can t love you any more
D G C
I can t love you any more
C G D
Than I do right now

[Instrumental]

[Verse 3]

G F
Once we stopped kicking up the dust
Em D A/C#
We found out what it s like living with both of us

[Chorus]

D **G C**

I can t love you any more

D **G C**

I can t love you any more

D **G C**

I can t love you any more

C G D

Than I do right now

C G D

Than I do right now

[Outro]

(Than I do right now)

C

Tapping on the glass

G

Making something last

D

All the way to Pasadena

C

What we ll miss the most

G

Visits from the ghost

D

Nothing s gonna come between us

C

G

D
