

## Mistakes We Should Have Made

Dawes

Intro: **G**

[Verse 1]

**C/G** **D**  
You look at me through your red glasses  
**C/G** **D**  
While the yellow cab waits  
**C/G** **D** **Bm**  
We've been thinking 'bout our soulmates  
**C/G** **Bm**  
Too long  
**C/G**  
Let's take a night off  
**G,D,C/G...G,D,C/G**  
Admit they're gone

[Verse 2]

**C/G** **D**  
Not everybody gets to feel this way  
**C/G** **D**  
Not everybody gets stuck so bad  
**C/G** **D** **Bm**  
We've been talking 'bout who we had  
**C/G** **Bm**  
Too much  
**C/G**  
Let's cut to the bone  
**G,D,C/G**  
Let's give it up

[Chorus]

**C/G** **G** **D** **G** **D** **C/G**  
If we start right now, we can figure out  
**C/G** **G** **D** **G** **C/G**  
The mistakes we should have made  
**C/G** **G** **D** **G** **D** **C/G**  
We can hypnotize all our wandering eyes  
**C/G** **G** **D** **G** **C/G**  
With the games we should have played  
**C/G** **G** **D** **G** **A**  
The mistakes we should have made

**G,D,C/G**

[Verse 3]

**C/G**                    **D**  
 I wanna burn it down to rubble  
**C/G**                    **D**  
 I want my future delayed  
**C/G**                    **D**                    **Bm**  
 I wanna make sure all my aces  
           **C/G**        **Bm**  
 Get played  
                                   **C/G**  
 A firework s gotta crack before it fades  
  
 G,D,C/G

[Verse 4]

**C/G**                                    **D**  
 It s the one night we re keeping off the books  
**C/G**                                    **D**  
 The one night that we can stand accused  
**C/G**                                    **D**                    **Bm**  
 The one night that we have to lose  
           **C/G**        **Bm**  
 Control  
                                   **C/G**  
 Let s settle the bill  
  
 Let s rock n roll  
  
 G,D,C/G

[Chorus]

**C/G**    **G**        **D**                                    **G** **D**    **C/G**  
 If we start right now, we can figure out  
                   **C/G**                    **G** **D**                    **G**    **C/G**  
 The mistakes we should have made  
                   **C/G** **G** **D**                                    **G**    **D**    **C/G**  
 We can hypnotize all our wandering eyes  
                   **C/G**    **G** **D**                                    **G**    **C/G**  
 With the games we should have played  
                   **C/G**                    **G** **D**                    **G**    **A**  
 The mistakes we should have made

[Bridge]

**Am**                                    **Bm**  
 All of this nonsense, past-tense living  
                   **C**                                    **Bm**  
 All this high rent, soul bent existence  
                   **Am**                                    **Bm**  
 All these night shift,
