I wont forget my way back home

From the corner of a coffee shop

Or from the center of a stage

From the words used in a love note
Or from an empty page

While I struggle with these beauties
And my renditions end up dry
Im like a bird that crashes into the window
That was drawn to the reflection of the sky

And the more I try to speak
The more I lose that earthly tone
And before heaven proves me hopeless
I wont forget my way back home
