Intro: Eb G# Eb x2

Eb G# Eb  
All my mornings start with the alarm clock  
Eb Ddim Cmin  
Every dream gets stopped before the end  
Eb G# Eb G#  
And with each bit I remember, the more the details run together  
Eb Ddim Cmin Adim  
And Iâ€™m left with a message I donâ€™t understand  
Eb Bb Eb  
Iâ€™ve lost contact with the great beyond again

Cm Gmin  
And as I stare over my breakfast and out into the street  
Bb7 C# G#  
I find that sorrow Iâ€™ve been chasing way too often  
Cm Gm  
That the man that stands in front of you is not the sum of all his dreams  
G# Eb G#  
But Iâ€™m hoping theyâ€™ve got something in common  
G# Eb G#  
Yeah, Iâ€™m hoping theyâ€™ve got something in common

Eb G# Eb  
The way that love attacks and then surrenders  
Eb Ddim Cm  
The things I mean the most when I say her name  
Eb G# Eb G#  
And if he ever speaks of me casually, I hope he does so carefully  
Eb Ddim Cm Adim  
â€™Cause when youâ€™ve loved somebody, everythingâ€™s to blame  
Eb Bb Eb  
And I donâ€™t want her to ever feel ashamed

Cm Gm  
But all my best kept secrets are the ones I didnâ€™t know I had  
Bb7 C# G#  
So I couldnâ€™t even tell her if I wanted  
Cm Gm  
That the way that she remembers me is not the way I really am  
G# Eb G#  
But Iâ€™m hoping theyâ€™ve got something in common  
G# Eb G#  
Iâ€™m hoping theyâ€™ve got something in common
