

## Something In Common

Dawes

Intro: **Eb G# Eb** x2

**Eb** **G#** **Eb**  
All my mornings start with the alarm clock

**Eb** **Ddim** **Cmin**  
Every dream gets stopped before the end

**Eb** **G#** **Eb** **G#**  
And with each bit I remember, the more the details run together

**Eb** **Ddim** **Cmin** **Adim**  
And Iâ€™m left with a message I donâ€™t understand

**Eb** **Bb** **Eb**  
Iâ€™ve lost contact with the great beyond again

**Cm** **Gmin**  
And as I stare over my breakfast and out into the street

**Bb7** **C#** **G#**  
I find that sorrow Iâ€™ve been chasing way too often

**Cm** **Gm**  
That the man that stands in front of you is not the sum of all his dreams

**G#** **Eb** **G#**  
But Iâ€™m hoping theyâ€™ve got something in common

**G#** **Eb** **G#**  
Yeah, Iâ€™m hoping theyâ€™ve got something in common

**Eb** **G#** **Eb**  
The way that love attacks and then surrenders

**Eb** **Ddim** **Cm**  
The things I mean the most when I say her name

**Eb** **G#** **Eb** **G#**  
And if he ever speaks of me casually, I hope he does so carefully

**Eb** **Ddim** **Cm** **Adim**  
â€™Cause when youâ€™ve loved somebody, everythingâ€™s to blame

**Eb** **Bb** **Eb**  
And I donâ€™t want her to ever feel ashamed

**Cm** **Gm**  
But all my best kept secrets are the ones I didnâ€™t know I had

**Bb7** **C#** **G#**  
So I couldnâ€™t even tell her if I wanted

**Cm** **Gm**  
That the way that she remembers me is not the way I really am

**G#** **Eb** **G#**  
But Iâ€™m hoping theyâ€™ve got something in common

**G#** **Eb** **G#**  
Iâ€™m hoping theyâ€™ve got something in common

**Adim**

I need to stop giving suggestions and just illuminate the questions

**Ddim**

That seems much more accurate to me

**G#**

**Eb**

**G#**

To keep the frame as wide as it can be

**Fm**

**Cm**

Cause all the love and friends and happiness that ever came my way

**Eb7**

**F#**

**C#**

Revealed themselves the moment I stopped watching

**Fm**

**Cm**

Cause itâ€™s not faith that comes from miracles, but miracles that come from faith

**C#**

**G#**

**C#**

And Iâ€™m sure that theyâ€™ve got something in common

I know that theyâ€™ve got something in common
