Bm A E
I had a dream that we were robbed
Bm A E
They took the mouldings off the walls
Bm A E
Erased our signatures from things
Bm A E
I heard them sing - ing

Bm A E E
Where s my bodyguard, bodyguard, bodyguard, bodyguard
Bm A E E
Where s my bodyguard, bodyguard, bodyguard, bodyguard
Bm A E E
Be my bodyguard, bodyguard, bodyguard, bodyguard
Bm A E
And guard me

They stole the subjects from your paintings
But left the canvas on the frame
They went off with years of clothing
Stole your smell, stole your stain
Just like rain
Washed clean
Of your name

And our bodyguard, bodyguard, bodyguard, bodyguard
Let down your bodyguard, bodyguard, bodyguard, bodyguard
Where s my bodyguard, bodyguard, bodyguard, bodyguard
To guard me

Take, take, take, take my arms

Gone from the heart

Break, break my legs

There s nothing to stand on

Take, take, take my bones

There s nothing to fill me in

Just singing

Where you been

Bodyguard, bodyguard, bodyguard, bodyguard

Where s my bodyguard, bodyguard, bodyguard, bodyguard

Be my bodyguard, bodyguard, bodyguard, bodyguard

And guard me
