The old times

Remember when we got caught

Dirty hands and make-believe jobs

we never got

Gimme-all-your-money bank robbers and cowboy-cops

with make-believe props

Remember when we held hands

Red rover and marching band

You had a tan

stayin outside that long s gonna make you a man

Never goin back, Never goin back again

I dont wanna say its breakin my heart

but I dont know where to start

Old friends are fallin apart in time

Write your name over mine, cover them both in wine

I miss the straight, straight lines

The old times
