

Tired Of This Life

Dawn Landes

Okay this is a great little song, and quite easily played, but i would advise anyone who doesn t know the song well to play along with the song, to get a proper grasp of the rhythm, strumming and chord changes. I have done my best to position the chords over the lyrics where the changes occur.. ok, here it is.

Artist : Dawn Landes

Song : Tired of this life

Standard Tuning

Capo on 4 and all chords used are relative to the capo

Chords Used

G -320033

D -000232

D5-000230

C -032010

Am-002210

Bm11b9-X20210

Verse 1

G

Tired of this life

D

D5

But you want to know what it s like

D

D5

C

Don t you want to know what it s like

Small interlude : 12 strums of G..(4 sets of 3 strums)

(Verse 1 chords are the same for verse 2 & 3)

Verse 2

Tomorrow night

Fireworks will fill the sky

Fireworks will fill the sky

Chorus

G

D

And the air is so hot

D

G

Over the world below

G

D

Just long enough

D

Am Bm11b9

C

Am

Bm11b9

C

Let your worry go...oooh...ooo, go...oooh....ooo

C **G**

Let your worry go

(Interlude with G again here as was done earlier between verses)

Verse 3

Tired of your trying

But your eyes weren't only made for crying

Your eyes were made for seeing things

(Interluded again)

Verse 4

Tomorrow brings

a brand new blossoming

It'll only make your heart sing

(chorus chords are the same as before)

Chorus 2

Like the birds so high

Over the world below

Just long enough

Let your worry go, go

Let your worry go

(Interlude again)

Repeat verse 1 again

slow down on the last line to finish on G

thats it, rate and comment on it please, cheers :)
