Neon ghost in mask and coat  
My heart is satellite remote  
When my chemicals go wrong  
Murder the devil  
Take his song for my own  
We sang

I didn t know yet what I d know

When I was bleedin

I didn t know yet what I d know  
When I was bleedin

I seem to forget what I learned  
When I was fallin

I didn t know yet what I d know  
When I was bleedin

When I was fallin

When I was fallin

Was I flyin?
