[Intro]

Am **F**
Filling empty holes
 C **G**
an echo in your soul of souls
 Am **F**
as the last wave rolls
 C **G**
crashin like a stone upon my skull

Am **F**
Followin the world
 C **G**
in this pitch black sadness
 Am **F**
yeah, the cherry of your cigarette
 C **G**
reflects in my eye just like madness, uh huh
 Am **F**
just like magic again
 C **G**
just like madness again

[Verse]

Am **F**
The moon above my head is like a halo
 C **G**
and my skull is cool and slow
 Am **F**
uh, teach me how to bow my head now

is it not blood s nature but to flow so

here we go
