

To Fly
Day of Fire

Intro: **C Bb C (4x) G# F**

Ritmo da introdução

Every morning there s a warning that you follow
It s getting harder you know
To fill the moments of the morning
They re so hollow

G#, F

Fill up on empty and go

Ritmo da Introdução

And every morning there s a brokenness you swallow
You try to let go
Of every warning that your wanting, want to follow?
Your signs are starting to show

Chorus:

G# F
I can see it in your eyes

C

You were made to overcome

G#

I can see it in your eyes

F

You were made to rise above

G#

I can see it in your eyes

C

So take these wings and fly

Ritmo da Introdução

And for tomorrow there s a bottom of a bottle
It s getting harder you know
To dry the problem at the bottom of a bottle
Before it s out of control

(chorus)

Solo: **G#, F (2x)**

Introdução

And every morning there s a warning that you follow
It s getting harder you know

(chorus)
