Day

[Intro] **Em G C D**

Em G C
You re under my skin, buried so deep

I wish you could read my mind

Em G
I m at the very top, so high

Come and give me a sign that this is for the life

Em G
I promise not to promise cause I m afraid

Let it be you, let it be us

C D
I pray to God

Em G C D
Let this fire burn a little longer

Em G C D
Let this fire burn a little longer

Am Em
You don t understand when you hold my hand

G D
I get tingles everywhere

Am Em G D
My name sounds a little bit different when you say it

Am Em
You do not understand when you hold my hand

G D
I get tingles everywhere

Am Em G D
My name sounds a little bit different when you say it

Em G
Keep it real, while we re in love

C D
I really hope forever is enough
