

How Did We Get To This Point
Day

Em7 **G9**
How did we get to this point?

D
I m wanting you more

C
And now that I have you
Em7 G9

I m missing you more

D **C**
And I just closed the door

Em7 **G9**
I guess that s how we supposed to be

So just let it be

D
Don t promise me forever

C
Just give me everything you got

Em7 G9
Cause I m already yours

D C
I m already yours

Em7
You say

G9
You can t stop thinking about me

D
And guess what ?

C
I cant stop thinking about you

Em7 **G9**
I think I wanna marry you

D
Have at least two guitars in every room

C
One or two cats, if not this, what s the use?

Em7 **G9**
I sing a song for you

If I m not too shy

D **C**
If you wondering why I just said this, is because

Em7 **G9** **D** **C**
You think I m fucking amazing, you tihink that

Em7 **G9**
There are multiple galaxies in your mind
D **C**
Infinite stars wandering
 Em7 **G9** **D** **C**
By, there am I, there am I

Em7 **G9**
How do I know you so much?
 D
It s like I can read your mind
 C
Before the words get out of your mouth
 Em7 **G9** **D** **C**
No need to legend, baby, is just how it s

Em7
You say
 G9
You can t stop thinking about me
 D
And guess what ?
 C
I cant stop thinking about you

Em7 **G9**
I think I wanna marry you
 D
Have at least two guitars in every room
 C
One or two cats, if not this, what s the use?

Em7 **G9**
You sing a song for me in the twilight
D **C**
This is the best part
I m living the live because
Em7 **G9** **D** **C**
I think you re fucking amazing, i think that
